SHOW TIME PREPARATION

 Children will have the opportunity to participate in a show at the end of the year. In their Show Time celebration, they will show their families what they have learned in English class. Talk about Show Time by suggesting ideas for the program, such as role-playing this story and making the dolls.

BEFORE PAGE 47

 **Sing the “Hello Song”**
A3 Play the audio. Invite children to sing along and wave hello.

Values Connection: Work Together

Before class, create four large envelopes by taping together sheets of colored paper (red, blue, yellow, and green). Show the class four Picture Cards from the unit. Have children close their eyes. Put one Picture Card inside each envelope. Children are not supposed to know which card is in each envelope.

Invite a volunteer to the front. Shuffle the envelopes and say: *I want a doll, please.* Busy Ant and the volunteer work together to figure out which envelope the *doll* Picture Card is in. Finally, they choose an envelope and pull out the card to confirm their choice. Have the volunteer hand the *doll* Picture Card to you. Say: *Thank you!*

Continue with other pairs of children until all Picture Cards have been located.

 **Sing “Let’s Start Working”**
A14 Play the audio to cue children that it is time to work in their books.

DURING PAGE 47

 **Make a Wind Toy**
Before class, assemble the art supplies needed for the project. For each child you will need: a paper towel tube, long streamers or strips of paper, and tape. Point out to children that the materials on the table in the picture become part of the wind toy that the boy is carrying. Ask children what colors they see in his wind toy: yellow, red, blue, and green.

Show children page 47 and read the title of the project aloud: *Make a Wind Toy*. Then show children how to follow these steps:

1. Choose colored paper streamers.
Say: *Choose colors.*
2. Tape the paper streamers to the tube.
Say: *Tape these.*
3. Run so that the streamers move in the wind.
Say: *Run!*
4. Once you have modeled the steps, help children make their wind toy.
5. Take children to the playground. Have them run and play with their wind toys.

TIP: Art Is Beautiful

Sometimes a drawing or project may not look perfect, but if a child spends time and effort on it, it’s beautiful to him or her! Praise all projects, even if they aren’t as “perfect” as others.

AFTER PAGE 47

 **Sing “Sharing Is Fun!”**
A63 Revisit the Values Song. Play the audio. Have children listen and do the movements with you. Play the audio again and encourage children to sing along. Some may be ready to join in!

 **Sing the “Good-bye Song”**
A6 Play the audio. Have children sing along and wave good-bye.

Class Audio CD, Busy Ant puppet, Stickers, Unit 4 Picture Cards, Portfolio Envelopes, a teddy bear, white sheet of paper

BEFORE PAGE 48

Sing the “Hello Song”

A3 Play the audio. Children sing along and wave hello.

Guess!

Hold up a Picture Card and cover it with a white sheet of paper. Start revealing a part of the card and ask: *What is it?* Have children guess: *It is (a doll).* Continue in the same manner until the Picture Card is totally displayed. Repeat with the remaining cards.

Revisit Songs

Play a few notes of the songs and chants in Unit 4 (Audios A51, A57, A58, A59, A60, A63, and A64). Have children clap if they liked that song or chant or make a sad face if they didn't. Play the songs children liked and encourage them to sing along.

AFL Think about Learning

Review Unit 4 page by page with children. Have children look at each page attentively and remind them what they learned on each, for example: *Look. What is this? What are these? What do you want?* Encourage children to clap if they liked the page or to make a sad face if they didn't.

DURING PAGE 48

9 Point and say. Stick and say.

Help children point to each vocabulary word on the banner and say: *It is (a doll).* Then point to the speech bubble and ask: *What does the girl want?* Direct children to the Stickers page and have them find the blue toy car and stick it in the box. Ask volunteers to show their work and read the sentence aloud: *I want a car, please.* Clap for a job well done!

AFTER PAGE 48

Prepare for Show Time!

Point out the mascot with the flower at the bottom of the page. Direct children to page 103. Help children think of what they liked most from Unit 4. Say: *What I liked most from Unit 4 is the wind toy and singing the “Shape Song!”* Say this with a very excited voice and smile as you display page 47.

Encourage children to draw what they liked most from Unit 4: a song or chant, the Little Book story, the Amazing project, or just a word. Reassure them that any personal response is fine! Revisit their ideas from Think about Learning.

Remind children that they are working toward a show they will perform at the end of the year.

TIP: Model Responses

Create an example of a personal response drawing and use it to show children what to do. For example, draw a series of shapes. Say that your favorite shape is the rectangle and that your favorite part of the unit was singing the “Shape Song.”

AFL Children Decide!

After children complete their drawings, invite them to display them. Hold up a drawing and say: *(Maria) likes the doll. (Rachel), did you also like the doll?* Take notes on children's preferences so you can determine what to include in the end-of-the-year show.

Home-School Connection

Have children take home their drawings to show family members. Help children practice talking about their work so they can use English when they show it to their families.

Sing the Target Song

A51 To consolidate what children have learned in the unit, play the Target Song and have children sing their part.

Sing the “Good-bye Song”

A6 Play the audio. Children sing and wave good-bye.

Portfolio

Remember to put letter-sized or smaller student work into each student's Portfolio Envelope. Have children show you the work they liked most from Unit 4.

 See Workbook page 40.
