

Keep it!

Levels (CEFR)	pre-A1+
Age	Any
Time	10 minutes (approx.)
Materials	Cards (see below)

Preparation

Make a set of cards for each group of four or five students. On each card, write a question on a topic that students have studied, e.g. (Animals) *Do you have a pet? What's your favorite animal? Which animals live in grasslands?* You could also have students write their own questions or use the sample question cards below.

How to play

- Put students in groups of four or five.
- Hand out the cards and have students place them in a pile face down on the table.
- Students take turns to pick up a card and read out the question.
- They then choose another student to answer the question.
- If a student's answer is appropriate, they win the card.
- The student with the most cards at the end wins.

Note: For lower levels (pre-A1, A1) make picture cards and have students name the picture. If you make two of each picture, they can also play pelmanism and try to find the matching pairs.

Variation

Have **all** the other students answer the question. The student who picked up the card then decides who gave the **best answer** and awards them the card.

Sample cards

These cards are based on the [PTE YL Springboard](#) test.

Where do you usually eat dinner?	What do you usually have for breakfast?	What is your favorite sport?
How often do you play computer games?	What do you like doing after school?	What clothes do you wear to school?
What toys and games do you play with?	Who do you play with at school?	What is your favorite food?
What kind of TV shows do you like watching?	What time do you get up?	What is your favorite school subject?
What is your favorite animal? Why?	How many people are there in your family?	What sports do you play at school?
What is in your school bag?	How often do you see your grandparents?	Describe your favorite clothes.
Describe your bedroom.	Describe your best friend.	Describe your teacher.
