

Learning is adventure!

Lenka Zouhar Ludvíková

outline

why self reflection

learners / teachers

motivation

opportunities on everyday basis

self-reflection is powerful

constructivism

cognitivism

humanism

positivism...

*“We do not learn from experience...
we learn from reflection on experience.”*

John Dewey

me as a learner

where I am

how I got here

where do I want to go from here, how, when...

motivation

motivation

Do your pupils want to learn English? Why? What for concretely?

What motivates your pupils?

motivation: 10 commandments

1. set a personal example with your own behaviour
2. create a pleasant, relaxed atmosphere
3. present the tasks properly
4. develop a good relationship with the learners
5. increase the learners' linguistic self-confidence
6. make the language classes interesting
7. promote learner autonomy
8. personalize the learning process
9. increase the learners' goal-orientedness
10. familiarize learners with target language culture
