1 Adventure camp

Adventure scouts

Scouts from all around the world, from Spain to Italy.

We're travelling together, from the mountains to the sea.

We walk for miles and learn every day.

We read a compass and find our way.

Oh, we are adventure scouts, here is our song.

With adventure and new friends, you can't go wrong.

You can't go wrong.

At the end of the day, we're back to camp again.

We're pitching our tents, they keep out the rain.

We're putting in the pegs and laying out our beds.

We're sleeping in sleeping bags that cover our heads!

Oh, we are adventure scouts, here is our song.

With adventure and new friends, you can't go wrong.

You can't go wrong.

All this adventure is making us fit and strong.

We're cooking our food which doesn't take too long.

We're eating our dinner and then we're so tired.

We're sleeping in tents all around fire!

Oh, we are adventure scouts, here is our song.

With adventure and new friends, you can't go wrong.

You can't go wrong.

You can't go wrong

2 Wild animals

Take me a place

Take me a place where the days are longer,

Where I can be with the animals, wild and free.

Take me to a place where the trees are taller

Than the houses and the buildings in the big city.

In the sea there are seals, smaller than otters.

There are blue whales, longer than my street.

Can you see the turtles, swimming in the blue water?

They're bigger than my pet fish but they've got feet!

Take me to a place where the days are longer,

Where I can be with the animals, wild and free.

Take me to a place where the trees are taller

Than the houses and the buildings in the big city.

In the jungle there are tigers, faster than taxis.

There are panthers, darker than the night.

I want to see the lemurs, sitting in the trees.

I really love wild animals, orange, black or white!

Orange, black or white!

Orange, black or white.

3 Where I live

I want to stay forever

I love sitting by my window.

I love watching the world go by.

I want to stay forever.

I want to watch the sunset in the sky.

Do you want to watch with me?

Do you want to watch with me?

I don't like walking in the city,

With people running up and down.

No time for listening, no time for talking.

I don't want to live in this mad town.

Do you want to walk with me?

Do you want to walk with me?

I love sitting by my window.

I love watching the clouds up high.

I want to stay forever.

I want to watch the rain fall from the sky.

Do you want to come with me?

Do you want to come with me?

4 Good days

It was a bad day

It was a bad day, it was really bad

But you smiled at me, now I'm not sad.

I packed my school bag and walked up the street.

I missed the bus, 'Ow, my tired feet.'

I didn't pass my test, I was late for class.

My friends said, 'Next time, get here fast!'

I opened my lunchbox and said, 'No way!'

I didn't remember my juice today.

It was a bad day, it was really bad

But you smiled at me, now I'm not sad.

I went to the park and played with a ball.

I kicked it too hard, it went over a wall.

A boy helped me, he didn't ask why.

We played in the park and we looked at the sky.

I dropped the ball, he said, 'That's OK.'

Now he's my friend and it's a good day.

5 Trips

Theme park

BOY We went to the theme park yesterday,

A special treat for my brother's birthday.

GIRL Did you like the big wheel, going up high?

BOY No, I didn't! Because I can't fly!

GIRL Did you like the carousel with horses of gold?

BOY No, the horses were small and we're too old!

GIRLS Did you like the dodgems then, fun and fast?

BOYS No we didn't! Our car was slow and we were last.

GIRLS So where did you go? What rides did you like?

Did you like the mini-golf and the boating lake?

BOY No, but we loved the rollercoaster, it was a thrill.

We went on it ten times and now we feel ill!

6 Arts

Did you hear the music?

Did you hear the music last night on the radio?

Did you hear the music last night on the radio?

I didn't feel happy, I was so sad.

But the music was great, it made me feel glad.

Did you hear the music last night on the radio?

Did you hear the music last night on the radio?

Yes, I did. Playing funky jazz was a saxophone.

And I loved dancing to it on my own.

Did you hear the music last night on the radio?

Did you hear the music last night on the radio?

No, I didn't. Was it pop, was it rock, what was it like?

Country music with guitars and violins, it was all right.

Did you hear the music last night on the radio?

Did you hear the music last night on the radio?

Yes, I did. It was the kind of music I choose.

Guitar and harmonica playing the blues.

7 Space

Travel in space

Travel in space is more exciting

Than travel on Earth below.

It's more complicated too and more frightening,

If you really want to know.

The question is – think about it,

Do aliens live out there?

And if they do, are they more intelligent

Than humans everywhere?

I don't know all the answers

But one thing I know is true,

That the world is an amazing place

And it's just right for me and you.

Me and you!

8 Environment

What's the most beautiful place of all?

MAN + WOMAN What's the most beautiful place of all?

Is it the pyramids of Egypt, or is it Angel Falls?

I'm going to find out, going to travel everywhere

To see our wonderful world, see it from the air.

MAN I'm going to fly over the blue rivers and seas.

I'm going to hear the monkeys chatter in the trees.

I'm going to see the highest mountains, covered in snow.

I'm going to the busiest cities, full of lights and roads.

MAN + WOMAN So what's the most beautiful place in the world?

I'm not sure I can say, I really don't know.

The mountains, the oceans, the fields of green,

Let's look after this planet and keep it clean,

Keep it clean, keep it clean.

Let's look after this planet and keep it clean.
