How technology makes our lives easier

Last weekend I was supposed to write an essay entitled 'How technology makes our lives easier'. I sat down in front of the [1]_____ and started thinking. Then I got a [2]_____ from a friend inviting me to go out. So I did. The next morning I wanted to get some [3]_____ for my essay from the web, but the Internet [4]_____ wasn't working. I went to the local library, which has free Wi-Fi, with my [5]_____. I didn't plug it in, because there are only four [6]_____ and other people were using them. I looked up the information I needed and then decided to have a quick look at the photos from a class party on one or two social networking [7]_____. Suddenly the laptop shut down. And the manual says it has a battery [8]_____ of seven hours! I finished the essay at home and wanted to print it out, but the [9]_____ was broken. I copied the work onto a [10]_____ to print it out at school, but I forgot to take it with me. That's how technology made my life easier… I should have written the essay by hand.
