Highland High School

With 830 pupils aged (1) \_\_\_ 12 and 18, Lochaber High School, at Fort William, is one of the (2) \_\_\_ secondary schools in the Highlands. It covers a huge area; many of the pupils come from small communities and (3) \_\_\_ up to 40 km to get into school each day.

In the past, the school covered a much larger area and many pupils were obliged to stay in one of the school hostels, or — if older — to lodge with local families; but other high schools have opened in the West Highlands, so the catchment area for Lochaber High, though still very large, is not as large as it (4) \_\_\_. Pupils travel into school (5) \_\_\_ car, bus, or special minibus each day, and some come (6) \_\_\_ foot or by bike. The majority live in Fort William itself, or in one of the surrounding villages such as Caol, Corpach, or Inverlochy.

Pupils from our school were used as extras in two of the Harry Potter films, (7) \_\_\_ were made in part near Fort William!

(8) \_\_\_ the end of their school career, and after obtaining higher or advanced higher grade exam results, many fifth and sixth year pupils decide (9) \_\_\_ on to some form of (10) \_\_\_ education — either college or university. Some students can remain in or near Lochaber, taking specialised courses at the West Highland college; but most leave home in Lochaber, and go to cities such as Glasgow, Edinburgh, or Aberdeen.

Many young people in this area feel that there are not enough opportunities here. Going to (11) \_\_\_ city inevitably means new friends, a whole new lifestyle, and the prospect of a more exciting night life.

Even though Fort William is small and relatively isolated, it is a beautiful place to live. It may not be exciting and incredibly trendy, but that doesn't matter. There is a real community atmosphere here, and many people know, or are related to, many other people. There is always (12) \_\_\_ to do or see in Fort William; there is no excuse for being (13) \_\_\_! As far (14) \_\_\_ I am concerned, it is a great place to live — a beautiful place, with wide open spaces, (15) \_\_\_ air, peace and quiet, and magnificent scenery. It is an area full of myths and legends — some of them true, others pure invention! But there is one thing that is certainly not "Scotch mist", and that is Highland hospitality. It is still very real, very alive!
