Get the most out of **MyGrammarLab**

1 Take the diagnostic tests in the book and online at the start of each module.

2 Study the grammar. Read the explanations and do the practice exercises.

3 Do more practice exercises online.
Go online for more practice

4 Take regular progress tests online.
Go online for a progress test

5 If you need more practice, do the catch-up exercises online or on your mobile phone – then take the progress test again.

6 Take the exit tests in the book and online to see how much you have learnt.
